

# A Laxative for Babies Good for Everybody

Dr. Caldwell's Syrup Pepsin  
a Safe and Efficient  
Family Remedy

Every member of the family is more or less subject to constipation, and every home should always be supplied with a dependable remedy to promptly relieve this condition. Whenever the bowels become clogged and the natural process of elimination thereby disturbed, the entire system is affected, and readily subject to attack by disease. Constipation is a condition that should never be neglected.

Mrs. E. R. Gilbert of Millboro, Va., says that Dr. Caldwell's Syrup Pepsin is a splendid laxative for children because they like its pleasant taste, and it acts so easily and naturally, without griping or strain, and she finds it equally effective for the rest of the family.

Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin that contains no opiate or narcotic drug. It is mild and gentle in its action, and does not cause pain or discomfort. Druggists everywhere sell this excellent remedy for fifty cents a bottle. To avoid imitations and ineffective substitutes, be sure you get Dr. Caldwell's Syrup Pepsin. See that a facsimile of Dr. Caldwell's signature and his portrait appear on the yellow cartons in which the bottle is packed. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 465 Washington street, Monticello, Illinois, for whom this advertisement is published.

## Use "Gets-It," Lift Corn Right Off

Shrivels, Loosens—and It's Gone  
"Just like taking the lid off—that's how easy you can lift a corn off your toe after it has been treated with the wonderful discovery, 'Gets-It.' Hunt the wide world over, and you'll find nothing so magic, simple and easy as 'Gets-It.' You folks who have wrapped

your toes in bandages to look like bundles, who have used salves that turned your toes raw and sore, and used plasters that would shift from their place and never "get" the corn, and who have dug and picked at your corns with knives and scissors and perhaps made them bleed—just quit these old and painful ways and try "Gets-It" just once. You put 2 or 3 drops on, and it dries at once. There's nothing to stick. You can put your shoe and stocking right on again. The pain is all gone. Then the corn dries a painless, shriveling death. It loosens from your toe, and off it comes. "Gets-It" is the biggest selling corn remedy in the world to-day. There's none other as good. "Gets-It" is sold by druggists everywhere, 25c a bottle, or sent on receipt of price by E. Lawrence & Co., Chicago, Ill.  
Sold in Barre and recommended as the world's best corn remedy by F. G. Russell, E. A. Brown, and Cummings & Lewis.—Adv.

The more serious the purchase of a car is to your family, the more seriously you should consider Overland.

Consider what a guarantee it is to own a car backed by a company with \$68,000,000 assets; with an army of workmen that would populate a good sized city; with acres and acres of modern factories, and more than 4,000 dealers and branches.

The magnitude of The Willys-Overland Company is due to its management; due to the practical policy of utilizing prodigious production as a means to higher quality and lower prices.

The Willys-Overland Company guards its obligation to the owners of its cars as seriously as a conservative bank protects the

interest of its depositors, large and small.

The Willys-Overland is predicated upon the need for cars of beauty, comfort and convenience in addition to long-lived utility.

The average family can participate in the luxuries of motoring because hundreds of thousands of other owners enable The Willys-Overland Company to distribute and bring down costs.

Such a car as the Overland Big Four would never have been possible at such a price as \$895 had it not been for over 300,000 similar Overlands which have already gone into service.

Come in and see the Overland Big Four and the most comprehensive line of motor cars ever built by any one producer.

## REAL HAIR SAVER

If You Would Avoid Dandruff, Itching Scalp and Baldness, Use Parisian Sage

What's the use of being bald? What's the sense in deliberately allowing your hair to thin out or become gray? You don't want to look old before your time. Premature baldness and gray hair are largely due to hair neglect, while a frequent scalp massage with the PARISIAN SAGE (liquid form) not only saves the hair but helps it to retain its natural color and luster. To keep youthful looking, you must give the hair proper care. PARISIAN SAGE is a scientific preparation that supplies all hair needs—it's just what you want.

Why not get a large bottle from the Red Cross Pharmacy to-day? It's not expensive and money refunded if it does not stimulate new hair growth, cure dandruff, stop falling hair or itching scalp. It will surely make your hair appear more abundant, bright and beautiful. Be sure you get the genuine PARISIAN SAGE, for this is free from stickiness, entirely harmless, and is a most refreshing and delicately perfumed hair invigorator. Any druggist can supply it.—Adv.
